

## **CyberOptics Fourth Quarter 2013 Conference Call Scheduled for February 28**

**February 18, 2014—Minneapolis, MN**—CyberOptics Corporation (Nasdaq: CYBE) today announced that it will hold its conference call to review operating results for the fourth quarter of 2013 on Friday, February 28 at 9:00 AM Eastern. The fourth quarter earnings release will be issued prior to the call that Friday. During the conference call, management will discuss CyberOptics' progress with its turnaround and strategic repositioning as a 3D sensing company.

Investors can access:

- The live call by dialing 1-877-941-8609 toll-free or 1-480-629-9692 prior to the start of the call and providing the conference ID: 4663980.
- A webcast of the live conference call by visiting the investor relations section of the CyberOptics website, [www.cyberoptics.com](http://www.cyberoptics.com), which will be archived for 30 days.
- A replay of the call, available one hour after the call, by dialing 303-590-3030 and providing conference ID: 4663980. The replay will be available for 30 days following the call.

### About CyberOptics

Founded in 1984, CyberOptics is a recognized leader in process yield and through-put improvement solutions for the global electronic assembly and semiconductor capital equipment markets. Through internal development and acquisitions, CyberOptics is strategically repositioning itself to become a global leader in high-precision 3D sensors. Headquartered in Minneapolis, Minnesota, CyberOptics conducts operations in North America, Asia and Europe.
